Table S2. Recruitment script.

Subject: Your Respiratory Health: Exclusive Checkup Invitation

Hi there!

We trust this message finds you breathing easy.

As the seasons change, keeping a watchful eye on our respiratory health is essential. Here at [Pharmacy Name], we're committed to ensuring you continue to feel your best, particularly when it comes to your breathing.

We are reaching out to extend a personal invitation for a complimentary respiratory health checkup with our knowledgeable pharmacists. This checkup is a part of our ongoing commitment to your well-being, providing you with personalised care and attention.

During this checkup, we will:

- Review your current respiratory health status.
- Offer expert advice tailored to your unique health needs.
- Discuss strategies to keep your lungs strong and healthy.

Please note that this checkup is a general health service and is not intended to replace your regular GP visits or other health appointments or practices. Our goal is to support you in maintaining optimal respiratory health.

If you're interested in taking advantage of this exclusive health initiative, please let us know and we'll send you a quick questionnaire via SMS to complete. Once you have completed the questions, we can send you some recommended actions this summer.

Together, let's take a deep breath and focus on your health.

Warm regards,

[Pharmacy Name]
