

Acknowledgment to Reviewers of 2024

Exploration of Cardiology would like to extend our heartfelt gratitude to all the reviewers who have generously contributed their time and expertise to support our journal in 2024. Their dedication and meticulous efforts in the peer review process are invaluable, ensuring the quality and integrity of the articles we published. The success of a peer-reviewed journal hinges on the commitment of our reviewers, who play a pivotal role in advancing scholarly communication and maintaining the highest standards of academic excellence. A special thanks to our reviewers for being an integral part of our mission.

In alphabetical order by last name:
