

Acknowledgment to Reviewers of 2025

Exploration of BioMat-X would like to extend our heartfelt gratitude to all the reviewers who have generously contributed their time and expertise to support our journal in 2025. Their dedication and meticulous efforts in the peer review process are invaluable, ensuring the quality and integrity of the articles we published. The success of a peer-reviewed journal hinges on the commitment of our reviewers, who play a pivotal role in advancing scholarly communication and maintaining the highest standards of academic excellence. A special thanks to our reviewers for being an integral part of our mission.
